Forever Florida Tour & BBQ

After our delicious BBQ lunch at the beautiful, rustic Cypress Restaurant, we'll embark on a fascinating Nature Tour that takes us deep into the Forever Florida cattle and horse ranch and the adjoining wildlife conservation area, preserved just as nature intended. We'll get up-close to everything, over land and water, onboard special open-air trail coaches, elevated for a fantastic view. The tour begins with a trip through the Crescent J, a picturesque Florida ranch featuring a living museum of historic, now endangered, breeds of Spanish Colonial Cattle and Horses, including Florida's unique Cracker Horses and an even rarer breed, the Santa Cruz Horses from California. As you reach the border of Forever Florida's Nature Preserve, the contrast between ranchland and native Florida wilderness becomes evident. Watch for native Florida wildlife – alligators, turtles, the colorful wild turkey, white-tailed deer and possibly the protected and endangered Florida Panther. Hold onto your seat and get your cameras ready for the Florida photo-adventure of a lifetime.
