Lost Mines of Atlantis

Never before in Florida have so many precious and semi precious gem stones and crystals been prospected in one location. Not a week goes by when a new mineral isn't discovered; Amethyst, Citrine, Emerald, Ruby, Sapphire, Garnet, Agate, Opal, Tiger's Eye, Petrified Wood, Herkimer Diamonds, Moonstone, Onyx, Peridot, Hematite, Chrysocolla and more! What a fun way to spend a day than enjoying the thrill of the hunt and the relaxation of the water.

Rock hounds will enjoy the gift shop and discover hard to find specimens, gemstone wind chimes, salt lamps, fountains, book ends and crystal cathedrals as well as lapidary equipment.

Prior to prospecting we'll visit the historic town of Sebring for a little time to browse and enjoy lunch on your own.
