Newly Updated Seaworld

Experience some of the ocean's most amazing marine animals, shows and exhibits at SeaWorld Orlando. From polar bears, bottlenose dolphins, rays and sea turtles - marine life abounds at this fascinating theme park. The SeaWorld Rescue Team is on call 24/7/365 to care for ill, injured and orphaned animals, often in need of life-saving care. For more than 50 years, animal rescue and rehabilitation has been the heart of SeaWorld. From habitat protection and ocean health initiatives to their many rescue and rehabilitation efforts, SeaWorld supports conservation projects across the globe. It's SeaWorld's hope that when you meet their dedicated Animal Care Specialists or spend time with the animals in their care, you will be inspired to get involved too. Your visit to SeaWorld isn't just a chance to feel connected to the ocean and its creatures - it's a chance for you to play a part in protecting our planet. Each ticket, each visit, each experience at the park helps fund wildlife rescue and rehabilitation efforts, habitat protections, and ocean health initiatives.
