## St. Augustine's "Nights of Lights"

You'll never forget "Nights of Lights" in Florida's Historic St. Augustine! One of the best ways to experience it is to join us on a sparkly, festive trolley tour and enjoy millions of tiny white lights that create a magical atmosphere in the Nation's oldest city. During Nights of Lights, St. Augustine glows with holiday magic from the ground to the rooftops, and was selected by National Geographic in 2011 & 2012 as one of the ten best holiday lighting displays in the world. Nights of Lights in St. Augustine traces its origins back to the traditional Spanish practice of displaying a white candle in windows during the Christmas holidays. Candles in the window allude to the fact that Mary and Joseph could find no inn that would give them shelter. When the Spanish put candles in their windows, they were symbolically making room in their homes and hearts for Jesus. It also reflects the welcoming attitude of the holiday season, showing that guests are welcome to the home.

This delightful tour includes Nights of Lights Trolley Tour, Plated lunch at the Sunset Grill and Magic Carpet Ride Motor Coach.
