Stetson Mansion & Lunch at Byte Bistro

Full payment due November 1, 2018

Trip Advisor has named a tour of the Stetson Mansion as one of the "Top 10 Things To Do Florida." The Stetson Mansion is Florida's first luxury home and the grandest home ever built in Florida before the 20th century! The Victorians started our modern Christmas traditions like gift giving and Christmas trees, so what's better than seeing Christmas in one of the Victorian homes where it all started? The Stetson Mansion had one of the first trees ever illuminated with electric lights. That's what you get when Thomas Edison is your bff! The Mansion is a spectacular Victorian "Gilded Age" residence built in 1886 with all its original rich architectural details. It is a home and not a museum of any kind. Each year's decorations are always different. Designer decorations from around the world will adorn the mansion's first and second floors. Themes for 2018 will be announced later in the year. Visitors will be guided through the first and second floors of the home by a knowledgeable tour guide providing lively commentary as holiday music from the baby grand player piano wafts in the background. Prior to the tour we'll enjoy lunch at the Byte Bistro in downtown Deland. This is a great way to start the holiday season.
