## Vizcaya ~ Arya Panorama Sky Lounge Coconut Grove ~ Bayside Marketplace

Enjoy a self-guided tour of the house and gardens. A trip to the Miami area is incomplete without visiting Vizcaya. This modern interpretation of an 18th-century villa was built between 1859 and 1925 by businessman William Deering, owner of farming manufacturing company Deering Harvester. As you browse through the house and grounds, you will see the impressive architecture, the significant art collections, the formal European-style gardens, the swimming pool and its stunning location on Biscayne Bay. It is a true oasis of peace and tranquility just outside of Miami's skyscrapers. Lunch (12:30-2) at Hotel Arya's Panorama Sky Restaurant where they serve phenomenal food, a high-level of service and stunning views. (The view is truly unique) This Panorama Restaurant & Sky Lounge is one of the top restaurants and lounge venues in Miami.
