## Best of Augustine – Lunch at Columbia

Today we set off to the oldest continuously occupied city in the continental United States! Originally founded in 1565 as a Spanish military outpost, we'll discover Historic St. Augustine, the nation's oldest city, and one of the most charming! With our trolley tour we will visit the Historic District with many stops. St. Augustine has more than 450 years of history and your tour highlights Fort San Marcos, the City Gates, the oldest house in the USA, Flagler College and museum and the historic Bayfront. You can stop at the San Sebastian Winery to tour the making of wines and to taste their wines. Following the tour, there will be plenty of leisure time for shopping and dining on one of the largest Main Streets in Florida! Historic St. George Street is a pedestrian only thoroughfare bustling with activity. Several large historic buildings along St. George Street have been subdivided into numerous stores, creating small indoor malls and not to be missed! Come, step back in time with us! Lunch is 1pm-2 at the famous Columbia's Restaurant.
