STRAWBERRY FESTIVAL

Featuring The Drifters, Cornell Gunter's Coasters & The Platters. Admission, Transportation & Concert Included : This is a rain or shine event. No refunds regardless of weather.

Each spring, the Florida Strawberry Festival® rolls out the red carpet to welcome visitors from throughout the Sunshine State and the world. Guests come from near and far to enjoy exhibits of agriculture, commerce, industry, livestock, fine arts, horticulture, and crafts. The fabric of American life is woven into the Festival through social events, contests, youth developmental programs, top-name entertainment, and parades with glorious floats and high-stepping marching bands.

The Florida Strawberry Festival represents a piece of Americana, a time in American history when fairs and festivals brought communities together through celebrations of their harvests. It has continued to grow in popularity year after year through the preservation of this heritage. Central to its focus, the Festival continues to preserve and enhance the agricultural and historical legacy of the Florida strawberry.

There's a very good reason that Rolling Stone magazine, in their iconic issue "500 Greatest Rock and Roll Performers" said of the Drifters "No group has done it this well for this long--no one, not even the Rolling Stones." That's quite an accolade to live up to but hopefully, on their latest tour, the Drifters will once again prove Rolling Stone to be the sage of rock and roll.
